# Tokyo Grand Slam, Japan 03 - 04 December 2022

@MariusVizer

Dear friends, judoka, delegations,

Welcome to Tokyo, the home of judo.

With our last Japanese meeting being more than a year ago, with the Olympic and Paralympic Games of 2021 in the splendour of the Budokan, it is now time to reconvene. Thanks to our whole community we have almost come to the end of a full and successful year in which we have seen restrictions reduced, competitiveness increased and friendship remain as stable as ever.

The staging of the Tokyo Grand Slam is always a promise of the strongest Japanese team, with the desire to win on home ground. This attracts our biggest and brightest stars from the rest of the world and creates an environment in which the most skilled judo thrives. For judo fans in each continent it is always a great opportunity to see a great judo spectacle, but also for education.

The organisers are among the world's best, always creating the best conditions for the greatest judo and all with the maximum level of respect and professionalism. This is the correct way as we continue our preparations towards Paris 2024.

I wish all members of the judo family a safe and welcoming visit to our historical home and thank you for your warm, ongoing support.

Yours in judo.

**Marius L. VIZER**

### Greetings

It is with honour and prestige to organize the Grand Slam Tokyo at the Tokyo Metropolitan Gymnasium. I would like to express our heartfelt welcome to the world Judo family and distinguished guests from the International Judo Federation.

This tournament will host the world's best Judoka including ones who achieved great success at the Tashkent World Championships. The qualification for the Paris Olympic Games have already begun. We can expect the heated competition from the best Judokas from all corners of the world.

Jigoro Kano Shihan, the founder of Judo, not only promoted Judo as a competitive sport, but also as a means of "human education" Through the practice of Judo, which starts and ends with a bow, he aimed to foster respectable individuals equipped with physical and mental strength as well as intelligence and character. In order to keep his aspiration alive, the All Japan Judo Federation has been promoting the Judo MIND Project, which pursues the key principles of Manners, Independence, Nobility and Dignity. We are working to spread these fundamental values of Judo throughout Japan and around the world.

I hope that all Judoka participating in this event fully demonstrate the results of their daily efforts. I expect you not to be arrogant after victory nor to be discouraged by defeat, but to have respect for your opponent and always have in heart the values of dignity and respect when on the tatami.

Moreover, I sincerely hope that all participants will nurture close friendships here in Japan, and that your stay in Tokyo will be a memorable one.

Last but not least, I would like to express my cordial gratitude towards all who contributed to the success of this prestigious event.

**Yasuhiro YAMASHITA**  
**President**

### IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC

**ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!**

The fundamental principle throughout all IJF events during the COVID-19 era is to Protect and Be Protected by respecting the recommendations of “**IJF COVID-19 Protocol**”. All participants have the mutual responsibility to protect each other. For the **IJF COVID-19 Protocol** and any applicable amendments go to [covid.ijf.org](https://www.covid.ijf.org)

These event outlines will be updated as follows:

- **18 November 2022 with the FINAL COVID protocol for the event in line with the host country regulations**

#### INSURANCE

It is the responsibility of the National Federation to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any COVID-19-related costs, including repatriation. The local organising committee (LOC) of the event and the IJF accept no liability for any claims relating to cancellation of the event due to COVID-19 or medical costs for any COVID-19 related illness that may affect a National Federation delegation member during the event.

#### VACCINATION

The applicable IJF regulations for vaccination/recovery reflect the pandemic hazard level of the IJF World Judo Tour events; host country vaccination criteria may differ from those of the IJF, always check the local rules before travelling.

For the full list of accepted vaccinations and all related information see below or go to [covid.ijf.org](https://www.covid.ijf.org)

Vaccination is not a prerequisite to attend an IJF World Judo Tour (WJT) event, however all judo family members are strongly encouraged to get vaccinated to the highest possible level (e.g., booster dose) to contribute to the overall protection level of the judo family.

Vaccinated judo family members may benefit from their vaccination in the form of a softer testing protocol at an event. However, **anyone testing positive during an event are treated equally regardless of their vaccination status. Positive cases fall under the jurisdiction of the host country.**

All types of vaccines are accepted, not only EMA or WHO approved. Only a completed series (first series, additional series) of vaccination is accepted.

When the vaccination document expires during an event, it is accepted for the entire event if it is still valid on the day of the draw. At the discretion of the IJF additional testing may be introduced.

Minors (under 18) are considered fully vaccinated after completing the first series of vaccination with no end of validity until further decision.

Documents must be uploaded to [my.ijf.org](https://my.ijf.org) for check and approval.

Competitors must report to the doping control station immediately after signing the notification form.

Pursuant to WADA ISTI Art. 5.4.4, prior to doping control, athletes can take part in the awarding ceremony and fulfil their press commitments or receive medical treatment if needed.

The selected competitors will be constantly accompanied by an official chaperone (appointed by the organising committee) from the time of notification until arriving at the Doping Control Station. A person of the athletes' choice (team doctor, coach, trainer, delegation head etc.) may accompany them. IJF keep the right to test any participating athlete beyond the above selection during an event.

All additional tests are deemed in-competition tests. At its own discretion IJF may allow Testing Authorities to conduct out-of-competition tests as well.

### 13. POST EVENT SURVEY

After each event a questionnaire will be sent for your constructive comments and feedback on how to improve the next edition of the event. You can also email [sport@ijf.org](mailto:sport@ijf.org)

### 14. GENERAL INFORMATION

#### FUNDAMENTAL PRINCIPLES

All National Federations, officials, coaches and athletes participating in the event described in these outlines must respect and accept the authority of the IJF Officials, the IJF Statutes, the IJF Sports and Organisation Rules (SOR, [www.ijf.org/ijf/documents/21](http://www.ijf.org/ijf/documents/21)) and the IJF Anti-Doping Rules (<https://www.ijf.org/cleanjudo/133>). Individuals deemed to have acted against the IJF, its principles or purposes should be subject to suspension or expulsion from the event and/or cancellation of their accreditation cards.

#### INSURANCE

Each National Federation is directly responsible for its athletes (the control of non-pregnancy and the control of gender). It must assume all responsibility for accident and health insurance as well as civil liabilities during all IJF events for everyone under their charge.

National Federations are responsible to provide insurance guarantees to their delegates during any IJF WJT event. The LOC of the event and the IJF will not be responsible in the absence of insurance.

The entity contractually bound to the IJF for the organisation of the event shall take all necessary actions to provide insurance coverage against civil liability for the entire duration.

# Tokyo Grand Slam, Japan

## 03 - 04 December 2022

The LOC of the event and the IJF have no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event.

### **CONSENT FOR USE OF DATA/PHOTOGRAPHY/VIDEOS/FILMING**

Delegates inscribed by their National Federations for WJT events consent to the IJF and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from National Federations and IJF.

It will also be acquired by the IJF and its media partners from in and around all IJF WJT event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes.

The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian.

If a delegate does not give consent for use of data, photography, videos and filming then the National Federation must inform the International Judo Federation by writing to [registration@ijf.org](mailto:registration@ijf.org)

### **COMPETITION RULES**

System of competition: quarter-final (last 8) repechage, duration of contests: four (4) minutes (real time).

Weight categories:

- Men: -60 kg, -66 kg, -73 kg, -81 kg, -90 kg, -100 kg, +100 kg
- Women: -48 kg, -52 kg, -57 kg, -63 kg, -70 kg, -78 kg, +78 kg

### **INSCRIPTION OF DELEGATES**

Only entries of member National Judo Federations will be accepted. In some exceptional cases, the IJF can, in order to protect an athlete's career, inscribe an athlete into an IJF event, under his/her National Federation Flag or under the IJF flag, according to the specificity of the case.

Athletes can be entered in ONLY one weight category per IJF World Ranking List (WRL) event.

Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

The National Federation is responsible for obtaining legal approval and permission for minor athletes to compete in competitions. When travelling with minors the team official/coach must have all the necessary documents in place that authorises them to act on behalf of the parents/guardians "in loco parentis". This also applies to doping control. The National Federation must ensure that minor athletes have their parental/guardian permission to undergo testing.

Each National Federation may enter:

- Up to 14 entries for women with maximum 2 athletes per category.
- Up to 14 entries for men with maximum 2 athletes per category.

# Tokyo Grand Slam, Japan

## 03 - 04 December 2022

The host country may enter:

- Up to 28 entries for women with maximum 4 athletes per category.\*
- Up to 28 entries for men with maximum 4 athletes per category.\*

\*From the host country only the best two (2) results from each category will be considered for the WRL Seniors.

Non-competing athletes or training partners can be inscribed as judoka.

After the event deadline, changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another athlete regardless of gender or weight category. An ill team official can be replaced by another team official etc.

### ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

At least one team delegate must attend on time to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during the official registration.

A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for National Federation president, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in judobase) is 100 US\$ per accreditation, to be paid to the LOC.

Replacement of lost or forgotten accreditation will be charged at 50 US\$ to be paid to the IJF.

The IJF will arrange a judogi and backnumber pre-control starting two days before the first competition day, until the day before the last competition day.

The judogi pre-control will be operated upon request of the athletes who wish so.  
For this purpose, the competitors should wear their judogi with the belt tightened.

For the backnumber pre-control, athletes must bring both judogi (white and blue), for a control regarding any worn-out areas particularly on the collar and lapel, the colour, the IJF official label (obligatory), judogi brand (obligatory), national emblem, advertising, backnumber stitching, and any visible stains. Only if the judogi are compliant with the IJF rules will sponsor labels be given.

Athletes must show up for the backnumber pre-control. If they fail to do so, without a valid reason, the athlete will not be allowed to have a coach in the chair.

The backnumber and publicity should comply with the current IJF judogi regulations.  
White judogi: IJF sponsor / Blue judogi: LOC sponsor

The official sponsor label of the event will be given provided that:

- The judogi are clean and dry.
- The backnumber, publicity and emblem are properly sewn and do not show any wear or tear.

- Lay the judogi flat and attach the new sponsor label of the event on the back of the correct judogi.

The LOC has the right to charge for any sewing service that is deemed larger than a small repair.

The judogi control will be done before each contest.

### **WEIGH IN**

The weigh-in will be carried out in accordance with the IJF SOR. The official weigh-in for athletes will be scheduled the day before the competition (see programme for times).

### **WORLD RANKING POINTS**

If an athlete passes the official weigh-in and is alone in the category he/she will get the participation ranking points, if applicable.

Any athlete who does not come to the tatami for a contest will have a line put through his/her name on the draw sheet. His/her opponent must come to the tatami and bow. He/she will be declared the winner by fusen-gachi and WRL points will be given.

### **COACHING**

Coaches nominated by their National Federations should respect the IJF Code of Ethics and IJF SOR. Any coaches not adhering to these rules could be subject to disciplinary action.

### **AWARDING CEREMONY**

Each athlete who has won a medal must be present at the ceremony to receive their medal personally. Any athlete who is absent from the awards ceremony without a good reason may forfeit the medal and prize money.

Athletes must attend the medal ceremony barefoot, without any hat, cap or any similar head covering and wearing their IJF approved white judogi that conforms to the IJF judogi rules with special attention being paid to the publicity rule. If it is not clean, then they must wear a reserve judogi.

It is strictly prohibited for athletes on the podium to have national flags or similar items other than those on their judogi. Any demonstration with religious, political, personal or commercial connotation is prohibited.

Athletes must also be available for interview after the last awarding ceremony if requested by the IJF Media Team.

After each day of competition photos will be uploaded on the IJF website: [www.ijf.org/galleries](http://www.ijf.org/galleries). These photos are rights-free and can be downloaded and used by anyone: athletes, coaches, national federations, press and media etc.
